Colonel R. E. Herndon, Jr.
Commanding Officer
Headquarters Aeronautical Chart and
Information Center
St. Louis, Missouri

Dear Colonel Herndon:

I wish to express to you my sincere appreciation for welcoming members of my staff to your Center and arranging for a very interesting and instructive tour of the Production and Distribution Plant. The men have reported that they were cordially received, and that their time was most profitably utilized. The tour enabled them to observe closely your excellent production control system which is of interest to us at this time.

I am most grateful to the following people who were particularly helpful and most generous in the time they devoted to us: Mr. Thomas Finnie, Mr. John Kristmann, Mr. William Patrick, Mr. B. Ten Broeck, Mr. L. J. Reed, Mr. M. A. Rosenbaum, Mr. Clifton Terry, and Mr. Walter Stevenson. These are only a few of the many people who aided us in our visit.

Thank you again for your most generous cooperation.

Sincerely yours,
